

**Staff Perfusionist, Clinical Perfusion, Auckland City Hospital (ADHB)
(022213)**

Staff Clinical Perfusionist, Clinical Cardiothoracic Surgical Team, Auckland City Hospital, Auckland District Health Board, New Zealand. (additional FTE).

With its beautiful countryside and dynamic metropolitan centres, New Zealand offers a lifestyle to suit all types of people. Auckland District Health Board (ADHB) is the largest public healthcare provider in New Zealand. We boast four specialist teaching hospitals - Auckland City Hospital, Green Lane Clinical Centre, National Women's Health and Starship Children's Health. Each offers supportive environments for education and learning.

Applicants must have a post graduate Diploma or Masters of Perfusion and be certified by the Australasian Board of Perfusion with a Diploma of Perfusion (or by the American, UK or European Boards of Perfusion). The role involves controlling independently, medically prescribed cardiopulmonary bypass and related cardiac support for both elective and emergency cardiovascular and thoracic procedures for adult paediatric and neonatal patients as well as administration, teaching and research as required.

Applicants will have experience in either adult or paediatric perfusion or both and you will be able to demonstrate a high level of communication skills.
