The meeting is timed to occur at one of the busiest times in Melbourne's sporting and social calendar, Melbourne Cup week. The Melbourne Cup is the premiere horse race in the Southern Hemisphere. It is run on the first Tuesday in November, therefore Tuesday 6th is "Cup day" for 2007. It is a day when Melbourne and indeed all of Australia stop to watch the running of "the Cup". Thursday 8th of November is "Oaks day" or ladies day at the races. Visitors to Melbourne should take the opportunity to participate in the Melbourne's world famous Spring Racing carnival. Melbourne has the most live music venues in Australia and a burgeoning number of chic and groovy inner city bars for every level and style of socialising imaginable. Melburnians are also spoiled by the quality and range of gastronomic delights available to them. For the shop-a-holics Melbourne fashion is the envy of many, from the Paris end of town in ritzy Collins Street to the urban cool of Chapel Street in South Yarra. World smash hit theatre productions and "block-buster" art exhibitions also regularly visit Melbourne.
